Transformative Study Abroad Programs with NSFSS

**Empowering Tomorrow's
Global Citizens Through
Sustainability and
Environmental Education**

Introduction

- 6-week study abroad program in Kenya
- Academic safaris
- Environmental sustainability and climate action studies
- Community resilience and livelihoods

Our Offerings

NSFSS specializes in offering study abroad programs focusing on sustainability and global environmental change for students and researchers and anyone interested in bringing about positive change.

Our Programs:

- Bush to Bush (B2B) Program: Our flagship program, a 6-week immersive experience in Kilifi, Kenya.
- Mazingira Program (Dar es salaam, TZ): Our upcoming project based in Tanzania.

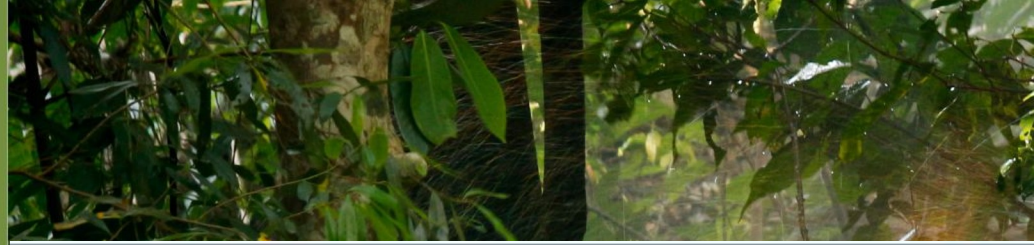

Unique Learning Approach

1. **Experiential Learning:**
80% of classes held in open environments.
2. **Real-world Problem Solving:** Students engage intellectually, socially, and physically.
3. **Authentic Immersion:**
Nature, cultures, landscapes, and real challenges.
